WANT TO BUILD EMOTIONAL AWARENESS IN YOUR CLASSROOM?

Support social emotional learning

Help students build emotional vocabulary

Create a calm and supportive classroom environment

includes all these and more!

HOW DOES IT WORK?

Sad

Create a Calm, Supportive Classroom Environment

→ Help students recognise, name, and talk about their emotions with these simple and clear emotions posters.

→ Perfect for calm corners, class discussions, and daily emotional check-ins

→ These posters support social-emotional learning and help students build emotional awareness and regulation skills.
